Letter No.B.S-4592 dated 27th June 1928 from the Deputy Commissioner,Mysore, forwarding for sanction draft bye-laws framed by the Nagamangala Municipal Council for the levy of Market fees.

The draft bye-laws submitted by the Municipal Council consists of 5 bye-laws. The first bye-law relates to the rates to be levied. The wording of the bye-law is not happy and it may be revised as noted in pencil on the draft. Empty carts cannot be made liable to pay any fee. and therefore it is omitted

Bye-law No.2. This bye-law states that things for which fees are prescribed will not be allowed to be taken into the market premises unless the fees are prepaid and the receipt shown to the authorised persons. This bye-law is unnecessary.

Bye-law No.3. This bye-law prescribes that things etc., on which market fees are leviable should enter the market premises only by a prescribed route. This bye-law is ultra vires of Section 70 of the Municipal Regulation. In Sub Section (4) of this Section the only liability attached to non-payment is expulsion from the market premises. This sub Section indirectly authorises the public to enter the market premises by any route that is lawfully open to them. If the Council want that people should enter the market ground only through a particular gate they

must enclose the market premises. Mere entry in contravention of this bye-law is proposed to be made penal by virtue of bye-law No.5 proposed.

In those circumstances bye-law No.3 may not be approved.

Bye-law No.4. This bye-law regulates the conduct of business in the market premises and may be approved.

Bye-law No.5. This bye-law prescribes the penalty for a breach of any of the foregoing bye-laws. As already stated it is not lawful to make a breach of bye-law No.3 punishable.

It is for consideration whether a breach of bye-law No.4 should be made punishable in a small place like Nagamangala. A provision for this purpose may perhaps be approved when the necessity therefor is felt.

Sir,

Sub: Objection to the proposed construction of Shop Complex in Survey No. 2936/2426 of Kadur Town.

We, the residents of Ward No. 7, Kadur Town, have come to know that a Shop Complex is proposed to be constructed in Survey No. 2936/2426 of Kadur Town.

The proposed site is surrounded by residential houses on all sides. The construction of a Shop Complex at this location will cause serious inconvenience to the residents in the form of noise pollution, traffic congestion, and obstruction to the free movement of vehicles and pedestrians.

Moreover, the narrow approach road is not sufficient to accommodate the increased traffic that will be generated by the Shop Complex. This will pose a risk to the safety of children and elderly persons living in the vicinity.

We therefore request you to kindly reject the proposal for the construction of the Shop Complex in Survey No. 2936/2426 and to take necessary steps to preserve the peaceful environment of the locality.

Thanking you,

Yours faithfully,

M. Thimmiah

Ward Council
